Renew Partners built off of the momentum of 2022 going into 2023. Although there is still a challenging interest rate environment going into 2024, supply chain stresses have eased from 2022 to 2023, and five Renew developed projects are scheduled to be completed in the first half of 2024, with three additional projects scheduled to secure financing in the first quarter of 2024.

Projects- Agora

Phase One Substantially Complete Phase Two & Three In Construction

On September 6th, 2022, Renew Partners, in collaboration with JCI Contractors and Sabor Group USA officially broke ground on the Offices and Residences at The Agora in Downtown Cleveland. This historic preservation project began with the construction and redesign of the East Wing building into offices for LDA Architects, which is complete at the end of 2023. LDA looks forward to moving into their space in January 2024. Currently we are constructing the Tower and the West Wing into the apartment residences.

We will begin leasing the residences in summer of 2024.

Projects- The 70th

In Construction

In November 2022, Renew Partners in partnership with Sabor Group USA and JCI Contractors secured construction financing from Erie Bank to start development of the apartments at The 70th. We are currently constructing the residences. This 64-unit multifamily residences located in Cleveland's Mid-Town Health Tech Corridor is set to begin construction in February of this year. Located within a short distance to the Cleveland Clinic downtown Campus, University Hospital, Case Western Reserve University and Cleveland State University, the new market rate rental building will serve as a premium and convenient housing option for the esteemed professionals of these institutions.

The 70th is scheduled to be completed in the late summer of 2024.
